

Thank you for Tabulating!!!

We can't run shows without your help

Tabulating is the relatively simple process of adding and recording total scores during a table top show.

First set your table!

You'll need a few calculators, tons of pens and markers, an exhibitor list, quality stickers and the score sheets from the show secretary. Some tabulators have an in and out basket for scorecards.

Participants should bring you their scorecard, quickly look over the card to all the required information has been provided.

Total the participant's score on the calculator and write their score on their yellow score card.

Copy all required information to the appropriate class' scoresheet as shown below.

Copy bird's card letter to the bird's yellow card and apply quality sticker as applicable.

For additional information on the Serama Standards of Perfection, please visit our website at www.scnaonline.org

There is a chart on the back of each scorecard detailing the Quality sticker tiers. I've found it helpful to have one or two spare cards upside down on your table so you can glance over at the tiers.

As you spend some time tabulating you will start to notice some scores are a bit higher than the rest. These birds are more likely to get a callback. As time permits add the exhibitor name for these birds in the appropriate column. It will make the callback process run a lot smoother.

Once all birds in a class have shown the

Judge or clerk will ask for your class score sheets so they can determine call backs, Keep your eye on the sheets, make sure you get them back once the class is called.

Once the Champion, Reserve and 3rd place have been pinned indicate the status in the rightmost column on the scoresheet.

Transfer Champion, Reserve and 3rd place information to the bottom of the class scoresheet and to the corresponding section on Champion Record Sheet

Be sure to record the proper birds for champion, Reserve champion and 3rd place of show. This can be super confusing, don't be afraid to ask the clerks or even get up and go to the show tables if necessary.

There is a box for Recorded and Photographed under each class summary and on the final Champion record sheet. You should check off or scratch out recorded as you copy the summary info to the Champion record sheet. The show secretary may ask you to photograph each sheet as you go or they may prefer to do this

themselves at the end of the show. If you have not been given instructions by the show manager please be sure to take the photos yourself “just in case”.

Once the show has concluded give the sheets directly to the show manager as they will need them for reporting.
