Judges Comments	<p>OK, so it is nearly impossible to judge prospects:) Typically they are entered into an in person show where the judge can handle and really look at the bird to give you thoughts. As judges we have the standards to score by, which at a young age has likely not even developed (or you would have entered them in the show ;) ) Keep all of that in mind when looking at scores or comments :)</p> <p>That said, super cute little girl. showing early type.Promising, looks comfotable on the table. Squats a bit, keep getting her used to being on the table and she should work out as she grows :)</p>
